

Free Meals for Kids!

Healthy eating should not end when school is out, so the Summer Food Service Program for Children offers meals to children during the summer months too. The Summer Food Service Program for Children is administered by United States Department of Agriculture at the national level. Second Harvest Food Bank is providing free meals to kids 18 years old and younger at the following location in Madison County. If your organization is interested in hosting a SFSP site, please contact Erin Rockhill at 287-8698 ext. 102.
